Bottle Coolers

Whether you are serving bottled or canned beverages, flat top bottle coolers from CULITEK maximize storage capacity and keep drinks cold and readily accessible to service guests. Perfect for any size bar, pub, or restaurant that operates in a high volume setting. Plastic coated steel dividers keep beverages organized, while the built-in bottle opener and cap catcher will keep your work space clean and free of debris. ETL Listed and ETL Sanitation, these units are backed with a 2 year warranty on parts and a 5 year warranty on the compressor.

Cooling System

- R290 hydrocarbon refrigerant is an environmentally-responsible choice for your business
- Maintains a temperature range of 33°F to 41°F

Cabinet Construction

- Black coated steel exterior
- Interior constructed of 304 stainless steel
- Insulated cabinet with foamed-in-place, high density cell polyurethane insulation

Electrical Control

- Electric LED display provides a digital display of cabinet temperatures, allowing for easy temperature adjustments
- Carel temperature controller initiates automatic defrost schedule for worry-free use
- 7-foot power cord with NEMA 5-15 plug

Lids

- Stainless steel sliding lids provides easy access to beverages
- Lids are individually locking, keeping contents safe after hours
- Insulated lids keep beverages cold when they are closed

Model Features

- Built in bottle opener, with cap catcher, keeps floor free of debris and allows for quick service to customers
